

AIA/CES Registered Provider Presentation Summary

Provider: McKEON
Provider Number: J497
Program Name: Fire and Smoke Rated Curtains, First Responder
Program Number: FF10
Length: 1 hour
Credits: One
SD/HSW Credit: Yes

Program Description: This seminar is structured to acquaint the design team with basic building code requirements that drive the use of flexible fabric fire and smoke rated wide span opening protectives.

The seminar covers:

- Draft curtains and their intended use in the fire & life system of building structures
- Examine the use of fire protective curtains as perimeter and opening protective smoke separation systems
- Explore the code compliant applications of a new hose stream tested textile technology
- Review an IBC Chapter 10 complying fire and smoke rated egress feature

Instruction Method: The program is a PowerPoint presentation with handouts.

A/V Needs: Electrical power access and a screen or wall.

Target Audience: Architects, Specifiers, and Design Professionals

Facilitator Qualifications: _____ is authorized as a presenter for McKEON, an AIA/CES provider.

Cost: There is no charge to bring this program into a firm.
